**AGUA CALIENTE • CASINO • RESORT • SPA JOINS THE RANKS OF THE
INTERNATIONAL ELITE WITH NEW AIR PURIFICATION SYSTEM**

Rancho Mirage, Ca (March 18, 2008) – Agua Caliente Casino • Resort • Spa is the only casino in California to have installed a state-of-the-art air purification system, giving guests a fresher place to play while joining the ranks of some of the world’s most expensive and prestigious hotel properties.

The system is called Bio-Oxygen. It is a natural air purification process in which no disinfectants, perfumes, or chemicals are used. The system employs the same methods as Mother Nature, purifying the air with electrons. The air purification systems are installed inside air handling units where they clean, disinfect and deodorize the air. The cleaning process is continual and removes odors, gases, chemicals, tobacco smoke, nicotine and tar from the air, while killing bacteria, fungus, mold, mildew, viruses and other micro-organisms.

The casino at Agua Caliente Casino • Resort • Spa is currently the only gaming property in California to use the Bio-Oxygen air filtration system. This makes the casino part of an elite club of Bio-Oxygen properties that include the Peninsula Hotel in Tokyo, Hotel BelAir and Beverly Hills Hotel in Los Angeles, and the only 7-star hotel in the world, the Emirates Palace in Abu Dhabi where rooms range from \$1,000 to \$50,000 per night.

Upon completion this April, the new Agua Caliente Casino • Resort • Spa will feature 340 generously-appointed guest rooms, a rejuvenating spa, pool and cabana complex, plus a high-tech conference center. A 2,000-seat entertainment venue will open in early 2009.

A lavish Grand Opening party is set for April 18th. The hotel and resort will be open to the public beginning April 19th. Call 1-866-923-7244 for reservations!

Agua Caliente Casino • Resort • Spa is located at 32-250 Bob Hope Drive in Rancho Mirage, California; home to more than 1,800 slots, 35 table games, and an 11-table poker room voted “Best in the Valley” in a 2007 reader’s poll. The casino offers exciting entertainment plus award-winning dining. In April, the Agua Caliente Band of Cahuilla Indians will open a new 16-story, 340-room luxury hotel beside the casino. Guests will be able to stay in style, enjoying deluxe rooms and suites, a luxury spa, pool and cabana complex, as well as a state-of-the-art conference center.
